

How to get the 5% credit for the Kaggle competition

1. Make a submission to the Kaggle competition.
2. Submit a PDF file on Gradescope with
 - The name of your Kaggle team and the names of its members - every member must submit on Gradescope, but you can submit the same file as your teammates.
 - The public leaderboard score of one of your submissions.
 - A brief description (half a page to one page) of the model you used to achieve this score.
